# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the country, and city or town of, last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50 and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No to the question before; and if so, the year (or period of years) and place, as [illegible].

*Column 16 (Coming to join relative or friend, and if so, what relative or friend, and complete address).*—The entry in column 16 should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to [illegible].*—The answers in these columns are [illegible] to be given by the inspection officer in the examination of aliens.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—*No* (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North, Central, South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives to the basin of the River Po, or portion of Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

*Column 14 (Whether in possession of $50 and if less how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No as to the United States before; and if so, the year (or period of years) and place, as 1903, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17, 18.*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Lugaria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States (or country of last permanent residence).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL OR SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any race whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po, comprising Italy's compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants whether residing in Italy, Switzerland, Austria-Hungary, France, or elsewhere, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian, south."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, where).*—The entries in column 15 should show whether or not Yes—No (as the case may be) before, and if so, the year (or period of years) and place (as Phila., Pa., 1903, N. Y. City, 1907, etc.).

*Column 16 (Whether going to join relatives or friends, and if so, what relatives or friends, with name and complete address).*—The entry in column 16 should show whether going to join other relatives or friends, and if so, what relatives or friends, with name and complete address.

*Columns 17 to [illegible].*—The answers in these columns are subject to penalty by any inspection officer in the examination of aliens.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write), or Yes—No (can read but not write).

*Column, 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN—NORTH.

The people who are native to the basin of the River Po in northern Italy (the compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid as self, husband, father, mother, or other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50 and by what amount).*—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No [illegible] before; and if so, the year (or period of years) and place, as "1903, Philadelphia."

*Column 16 (Going to join relative or friend, and if so what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17, 18.*—The answers in these columns are subject to [illegible] by any inspection officer in the examination of aliens.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien of negro appearance or indicating an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River P[illegible] and the compartments of Piedmont, Lombardy, Venetia, and Emilia, including the provinces of Massa and Lucca, residing in Italy, Switzerland, Austria-Hungary, and other countries adjoining, should be classed as "Italian (north)." Most of these people speak a Gallic dialect or French language.

ITALIAN (SOUTH).

The people who are native to the peninsula of Italy south of the basin of the River P[illegible] and the compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, Sardinia, and the adjacent islands should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entry in column 10 should show the country, and city or town of last permanent residence. It is important for the purposes that steamship companies so record aliens coming out of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, mother, other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50 and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No, as to United States before; and if so, the year (or period of years) and place, as 1894-98, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to [illegible].*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa or from islands of the West Indies, North or South America, Europe, or Africa. Any mixture of African appearance indicates an admixture of Negro blood, should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the valley of the River Po, northern Italy, and the departments of Pisa, Lucca, Leghorn, Venezia, or Udine, and those from the same districts residing in Italy, Switzerland, Austria, Hungary, or other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect and are fairly fair.

ITALIAN (SOUTH).

The people who are native to the peninsula south of the north of the River Po, i. e., comprising the departments of Leghorn, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those from these districts residing in other countries, should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The object of this column is to ascertain the country and city or town of last permanent residence. It is important, for statistical purposes, that all aliens departing from the United States should be credited to the country of their last permanent residence, irrespective of their nationality or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should be, as the case may be, either by whom passage was paid, as self, husband, father, brother, or other relative or friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place; as, 1891-95, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Column 17, to ——.*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

"SPANISH-AMERICAN."

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to [redacted].*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether born in Africa or in the islands of the West Indies, North or South America, Europe, or Africa. Any admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (the compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Raetian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

Aliens coming to the United States for a temporary sojourn, not intending to pass through in transit, should be recorded as destined to the place of their temporary sojourn, as for example, by destination.

*Column 12 (Whether having a ticket through final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50 and if less how much).*—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) the alien has been here before, and if so, the year (or period of years) and place (as near as practicable) of former visit.

*Column 16 (Coming to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to ——.*—The answers in these columns are subject to such questions as the inspection officer in the examination of aliens.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 4 (Age).*—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 5 (Sex).*—The entry in column 5 should be either M (male) or F (female).

*Column 6 (Married or single).*—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 7 (Calling or occupation).*—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 8 (Able to read and write).*—Column 8 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write). or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native, born in the United States, or the West Indies, Central South America, Europe, Asia, Africa, Australia, or elsewhere, and indicates an alien of Negro blood, shading, or appearance, no matter what his nationality may be.

ARMENIAN.

The people who are natives of Armenia, Asia Minor, Persia, Russia, Turkey in Asia, or other parts of Europe or Asia, and who are of the Armenian race, should be returned as Armenian, regardless of the country from which they came, whether Armenia, Russia, Turkey in Asia, Persia, or elsewhere, and regardless of their religious belief, whether Christian, Mohammedan, Hebrew, or other religion. Most of these people speak the Armenian language, and are known as "Turkish Armenians."

HEBREW.

The people who are natives of Palestine, Asia Minor, Persia, Russia, Turkey in Asia, Germany, Austria-Hungary, Roumania, Spain, Portugal, Great Britain, Holland, Belgium, France, Italy, Switzerland, Greece, Egypt, Africa, Australia, China, Japan, the United States, Mexico, Central and South America, the West Indies, or elsewhere, and who are of the Hebrew race, should be returned as Hebrew, regardless of the country from which they came, whether Palestine, Asia Minor, Persia, Russia, Turkey in Asia, Germany, Austria-Hungary, Roumania, Spain, Portugal, Great Britain, Holland, Belgium, France, Italy, Switzerland, Greece, Egypt, Africa, Australia, China, Japan, the United States, Mexico, Central and South America, the West Indies, or elsewhere, and regardless of their religious belief, whether Hebrew, Christian, Mohammedan, or other religion. Most of these people speak the Hebrew language, and are known as "Polish Hebrews," "German Hebrews," "Russian Hebrews," etc.

*Column 10 (Last permanent residence).*—The entry in column 10 should show the country of which the alien is a permanent resident, as distinguished from a temporary sojourner. The entry should show the name of the country, and not the province, state, or city of such country. Thus, "Russia" should be entered, and not "Finland," "Poland," "Siberia," "Caucasus," "Moscow," "Odessa," "Warsaw," "Riga," "Libau," "Helsingfors," "Abo," "Wiborg," "Tammerfors," "Uleaborg," "Kuopio," "Vasa," "Nikolaistad," "Jakobstad," "Kristinestad," "Gamlakarleby," "Brahestad," "Torneo," "Kajana," "Kexholm," "Nyland," "Tavastehus," "Nyslott," "Borgo," "Helsingfors," "Ekenas," "Hangoe," "Abo," "Björneborg," "Mariehamn," "Ostrobothnia," "Tavastland," "Finland," "Lapland," "Karelen," "Kuopio

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 2 (Age).*—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 3 (Sex).*—The entry in column 3 should be either M (male) or F (female).

*Column 4 (Married or single).*—The entry in column 4 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 5 (Calling or occupation).*—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—111

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether born in Africa or in any of the islands of the West Indies, North or South America, Europe, or Asia. Any alien of apparent mixed African descent or with any trace of Negro blood should be listed under this heading.

ITALIAN (NORTH).

The people who are born north of the Appenines, including those born in the provinces of Piedmont, Liguria, Lombardy, Venetia, and Tuscany, and the Province of Rome, residing in Italy, Switzerland, Austria, [illegible] should be listed as "Italian (north)." Most of these people are [illegible]

ITALIAN (SOUTH).

The people who are born south of the Appenines, including those born in the Kingdom of Naples, Province of Sicily, Province of Sardinia, and the Province of Rome, comprising Abruzzi, Molise, Campagna, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and who are Italians, and should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entry in column 10 should show the country and city or town of last permanent residence. If in the United States, the State should be added. If a person has resided in more than one place in the United States, the last place of residence for one year or more should be given. Aliens who are going to join relatives or friends in the United States should not be content to write merely "Chicago" or "New York," but should indicate the street and number, if possible, of the place where the relative or friend resides.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place, city or town, of final destination.

[redacted]

*Column 12 (Whether having a ticket through final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, sister, other relative or friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less than $50, how much).*—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No, as the case may be, the alien has been in the United States before; and if so, the year (or period of years) and place, as, 1891, Philadelphia.

*Column 16 (Going to join relatives or friends, and if so, what relatives or friends).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to [illegible].*—The answers in these columns are subject to rejection by any inspection officer in the examination of aliens.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the peoples of the West Indies other than Cuban, not Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native to Africa, the West Indies, or other islands of the West Indies, North, Central, or South America, Europe, or Africa. Any person whose appearance indicates an admixture of Negro blood should be reported under the Negro heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po, comprising Italy north of the mouth of the River Po and the compartments of Lucania, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (north)."

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the mouth of the River Po and the compartments of Lucania, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States the country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket), or No—no ticket.

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50 and if less how much).*—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes—No, the person has been here before, and if so, the year or period of years, and place, as "1903, New York."

*Column 16 (Going to join relative or friend, and if so what relative or friend, with name and complete address).*—The entry in column 16 should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17, 18.*—The answers in these columns are subject to question by the inspection officer in the examination of aliens.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, Stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba not Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—[illegible]

AFRICAN (BLACK).

"African (black)" refers to the African Negro whether native from Cuba or other islands of the West Indies, North or South American Europe or Africa. Any individual appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the section of the River Po in northern Italy, the compartments of Piedmont, Liguria, Venetia, and Emilia, and those of other races residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, the compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those of other races residing in Italy, should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for the use of all purposes that steamship companies are required to show country of last permanent residence independent of country of temporary residence, but merely as a visit.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as "engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether born in Africa, Cuba, other islands of the West Indies, North or South America, Europe, Asia, or elsewhere. This appellation includes an admixture of Negro blood, however slight, and should appear under this heading.

HEBREW.

The people who are native to the countries of the Basin of the Black Sea, and who are descendants of Ishmael, Israel, Abraham, and Hagar, as well as those who are of the Hebrew race, residing in Italy, Switzerland, Arabia, Holland, or any other country, should be classed as "Hebrew" (north). Most of these people speak a corrupt Greek, Turkish, or Russian.

HEBREW (SOUTH).

The people who are native to the countries bordering on the Mediterranean Sea, and who are descendants of Ishmael, Israel, Abraham, and Hagar, as well as those who are of the Hebrew race, residing in Italy, Switzerland, Arabia, Holland, or any other country, should be classed as "Hebrew (south)." Most of these people speak a corrupt Spanish, Portuguese, Italian, or Arabic.

*Column 10 (Land of last permanent residence).*—The entry in column 10 should show the country, and, if in Europe, the province, where the alien has had a permanent residence. By "permanent residence" is meant a residence for the purpose of making it a home, as distinguished from temporary residence for the purpose of study, travel, or mere sojourn. Persons who have resided in the United States for a number of years, and who have retained their residence here, should not be recorded as coming from the country in which they may have sojourned for a few months or a year, during which visit abroad they have retained their residence in the United States. Aliens who are permanent residents of the United States and who return after a temporary visit abroad should be recorded on manifests as coming from the United States, regardless of their former permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes—ticket, or No—no ticket.

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, mother, sister, friend, steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 19.*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, C. # INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each person, as Clerk, Cashier, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit" (thus: commercial traveler in transit), if coming to the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be considered to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (Black)" refers to the Abyssinian, Negro, and other black races of Africa, and the islanders of the West Indies, North and South America, and elsewhere. Also any of the above races, no matter what their appearance may be after admixture with the white race, shall be classed under this heading.

ITALIAN (NORTH).

The people who are natives of the provinces of Piedmont, Liguria, Lombardy, Venetia, Tuscany, Emilia, and the compartments of Spezzia, Massa, Carrara, Lucca, Pisa, Leghorn, Grosseto, Siena, Florence, Perugia, Rieti, Aquila, Teramo, Chieti, Campobasso, Caserta, Rome, Velletri, Frosinone, Benevento, and Avellino, residing in Italy, Switzerland, Austria-Hungary, Africa, Egypt, Asia, Australia, and elsewhere, are classed as "Italian (north)." Most of these people speak a language differing from Tuscan as much as Spanish does from Portuguese.

ITALIAN (SOUTH).

The people who are natives of the provinces of Puglie, Calabria, Basilicata, Abruzzi e Molise, Campania, Sicily, Sardinia, and the islands of Pantelleria, Lampedusa, Linosa, Ustica, Maddalena, Caprera, Asinara, Tavolara, Molara, Molarotto, Capraia, Elba, Giglio, Giannutri, Gorgona, Pianosa, Montecristo, Formiche di Grosseto, and Formiche di Burano, residing in Italy, Switzerland, Austria-Hungary, Africa, Egypt, Asia, Australia, and elsewhere, are classed as "Italian (south)." The entries in column 9 should show the race or people as given in list on reverse side of alien manifest.

*Column 10 (Last permanent residence).*—The entry in column 10 should show definitely the country in which the alien has his permanent home. It is not sufficient for the purposes that a record be kept of the fact that an alien has resided for a certain time in a country, independent of whether or not he intends to make it his permanent home.

Aliens who are passengers in transit across the United States to foreign countries should not be recorded as having resided in the United States at the expiration of their sojourn, but what aliens should be recorded as having resided in the United States is a question for future settlement.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show accurately by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50 and if less, how much).*—The entry in column 14 should give in each case (individual of family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place, as 1881-86, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 27.*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

A farm laborer is one who works on a farm for the man who operates it.

Inspectors should make this distinction on the manifests, and corrections [illegible] if necessary, by inspectors and registry clerks during the personal examination [illegible].

Aliens coming to pass through and out of the United States should be recorded [illegible] occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as [illegible] head of occupation.

Particular care should be paid to the distinction between race and nationality, and should be carefully revised by inspectors and registry clerks in this regard. The word "German" appearing on a manifest does not necessarily mean "French" by race, nor similarly, "French" appearing on a manifest does not necessarily mean "Italian" by nationality. An alien who is Irish, German, or Hebrew by race may become under the binding of United Kingdom or any other country by [illegible] In connection the following distinctions should be carefully observed:

Column 10 (*Last permanent residence*).—The entries in column 10 should show the *country, and city or town* of last permanent residence. ## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted] should be recorded in this column.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived (refer example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations).

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Columns 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes or No. Yes can read and write; No, No can neither read nor write; or Yes, No can read but not write.

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—111

AFRICAN (BLACK).

"African (black)" refers to the African Negro race, and to the people of the Islands of the West Indies, North or South America, Europe, Asia, or Africa, by whatever appellation, who are descendants of Negroes, and who are not specifically mentioned under other heading.

HEBREW.

The people who are natives [illegible] are to be returned as Hebrew, [illegible] nationality, as Russian, German, Austrian, etc. Many of the people of this race are to be returned as "Italian (north)" or "Italian (south)."

ITALIAN.

The people who are natives [illegible] are to be returned as Italian (north) or Italian (south), as the case may be. Natives of the Provinces of Lucca, Tuscany, the Marches, Umbria, Rome, Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia should be returned as Italian (south).

*Column 10 (Last permanent residence).*—The entry in column 10 should show the country in which the alien has had his last permanent residence. By permanent residence is meant a residence for the purpose of remaining, or for an indefinite, long period of time, as distinguished from temporary residence for a special purpose, with no intention of remaining permanently, and independent of the length of time passed in any place or country.

Aliens returning to complete the [illegible] should return as their last permanent residence the country in which they have resided during their absence, and should be questioned by inspectors and registry clerks in this regard.

*Column 11 (Final destination).*—The entry in column 11 should show distinctly the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No, in the United States before; and if so, the year (or period of years) and place, as 1894, Pittsburg.

*Column 16 (Whether going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17, 18, ...*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native to Africa, the West Indies, Cuba, or other islands of the West Indies, North or South America, Europe, or Asia. Any admixture of white appearance indicates an admixture of Negro blood, should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show countries of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States (or country of) last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[illegible]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid as self, husband, father, mother, or other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50 and if less, how much).*—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year (or period of years), and place, as 1903, Chicago, 1900 to 1904, Omaha.

*Column 16 (Going to join relative or friend, and if so, what and where).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17, 18.*—The answers in these columns are subject to be required by the inspection officer in the examination of aliens.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 2 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries thereto should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, and the natives coming from Cuba or other islands of the West Indies, North or South American Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to and who come from the Republic of Italy (the compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and the provinces of Massa and Carrara), residing in Italy, Switzerland, Austria-Hungary, South America, and elsewhere, should be classed as "Italian (north)." Mostly these people speak a Gallic dialect of the Roman language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the boundaries of the Republic of San Marino, comprising the compartments of Tuscany, Umbria, the Marches, Umbria Romana, the Campagna, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entry in column 10 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies should always show country of last permanent residence, independent of country to which alien may have emigrated.

Aliens who are permanent residents of the United States and who, after visiting temporarily abroad, should be recorded on manifests as United States is country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show the name of the place, city or town, of final destination.

Aliens coming to the United States with the intention to pass through in transit, should be recorded as aliens coming to pass through in transit to destination.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (males) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po, comprising Italy's seven compartments of Piedmont, Lombardy, Venetia, and Emilia, and the Italian provinces of Switzerland, resulting in Italy, Switzerland, Austria-Hungary, or any other country should be classed as "Italian (north)." Most of these people speak a Gallic dialect and Latin language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Rivers Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their immigrants should be classed as "Italian (south)."

*Column 2 (Last permanent residence).*—The entry in column 2, relating to each alien, should show the *country and city or town* of last permanent residence. It is the intent that for statistical purposes that steamship companies are to show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place, as: 1901-07, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17, 18.*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po and northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect, not the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative (friend), steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place; as, 1894 '95, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 29.*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—111

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa or other islands of the West Indies, North or South America, Europe, or Africa. Any admixture of Negro appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the Po, i. e., Piedmont, Italy, and the compartimenti of Piedmont, Liguria, Venetia, and Emilia, and the Provinces of Massa and Carrara, residing in Italy, Switzerland, Austrian Hungary, or the other countries enumerated are classed as "Italian (north)." Mostly these people speak a Gallic dialect and the Ligurian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Po, i. e., the Provinces of Lucca, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and other Italians and Italian subjects should be classed as "Italian (south)."

*Column 10 (Last or final residence).*—The entry in column 10 should show definitely the country, and city, town, or village of last permanent residence. It is understood that for the purposes of steamship companies it cannot be shown definitely in all cases, but should be shown definitely as to country, and as definitely as possible as to city, town, or village, independent of country of last foreign residence, but usually so.

Aliens who are permanent residents of the United States and are returning from visit abroad should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50 and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and, if so, when and where).*—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place; as, 1891-97, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to —.*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

* Instead of showing occupation of tourists and aliens in transit, state in column 6 whether they are "tourists" or "in transit."
† "Race or People" is to be determined by the stock from which aliens sprang and the language they speak. List of races will be found on back of this sheet.

# INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 4 (Age).*—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Northern or South American Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (the compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

[redacted]

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50 and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place, as 1894, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend, and where).*—The entry in column 16 should show who the person is going to join (either a relative or friend) and if so, what relative or friend, with name and complete address.

*Columns 17 to [illegible].*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

## INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd. (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the Rivers Po, in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy comprised in the basin of the Rivers Tiber, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

*Column 10 (Last permanent residence).*—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is expected for statistical purposes that steamship companies will specify country of last permanent residence, independent of country of allegiance, in all cases, as a matter of race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests and United States for country of last permanent residence.

*Column 11 (Final destination).*—The entry in column 11 should show distinctly the place (city or town) of final destination.

[redacted] proceeding to [redacted] by Immigration.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years), and place; as, 1904-07, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 32.*—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read, but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or the islands of the West Indies, North or South America, Europe, or Africa. Any discernible appearance indicates an admixture of negro blood and should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and the descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years; and place; as, 1904-07, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 42.*—The answers in these columns are subject to revision by an inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any admixture of appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po, northern Italy, and the compartments of Piedmont, Lombardy, Venetia, and Liguria, and their descendants born in or residing in Italy, Switzerland, America, Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect or the Provençal tongue.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the previous city or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1891-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or the islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under the heading

ITALIAN—NORTH.

The people who are native to the basin of the [illegible] in northern Italy [illegible] compartments of Piedmont, Lombardy, Venetia, and Liguria, and their descendants residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTH.

The people who are native to that portion of Italy south of the basin of the River [illegible] (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information required on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or the islands of the West Indies, North or South America, Europe, or Africa. Any admixture of negro blood should be classified under this heading.

#### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., the departments of Piedmont, Lombardy, Venetia, and Emilia, and the Provinces of Leghorn, residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

#### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

# EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), W4 (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of [illegible] descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba, [illegible] islands of the West Indies, North or South America, Europe, or Africa. Any [illegible] appearance indicates an admixture of negro blood should be classified under this head.

#### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy [illegible] partments of Piedmont, Lombardy, Venetia, and Emilia and [illegible] residing in Italy, Switzerland, Austria-Hungary, or any other country, should be [illegible] as "Italian (north)." Most of these people speak a Gallic dialect of the Italian [illegible]

#### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their dependencies) should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket through to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894, 97, Philadelphia.

*Column 16 (Going to join relatives or friends; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 25.*—The answers in these columns are subject to revision by an inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba, the islands of the West Indies, North or South America, Europe, or Africa. Any alien of negro appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., the departments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian tongue.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 5 (Age).*—The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South American States of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or from the islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

#### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the compartments of Piedmont, Lombardy, Venetia, and Liguria, and the Provinces of Modena, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

#### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo-Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their dependencies) should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 32.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien of negro appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father; brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1891-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Many of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants (whether residing in Italy, Switzerland, Austria-Hungary, or any other country), should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and the ex-Papal States), whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia, and their descendants) should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 32.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1891 or 97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 32.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male), or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN—NORTH.

The people who are natives of the basin of the River Po in northern Italy (i. e., the compartments of Piedmont, Lombardy, Venetia, Liguria, Emilia, and Tuscany). Whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 82.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1891-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

#### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

#### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 32.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any admixture of negro blood should be classified under this heading.

#### ITALIAN (NORTH).

The people who are native to the basin of the Rivers Po and Adige (i. e., the departments of Piedmont, Lombardy, Venetia, and Emilia) and those who have resided in Italy, Switzerland, Austria-Hungary, or any other country should be classed as "Italian (north)." Most of these people speak a Gallic dialect or the Ladin language.

#### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Rivers Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo-Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those who have resided in it should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should state the country and city or town of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year or period of years and place, as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 28.*—The answers in these columns are subject to revision by the inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest Forms 1500, 1500 A, and 1500 B, new numbers 500, 500 A, and 500 B, so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions, and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of the alien at arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, loading conveyor, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native Cuba or some other islands of the West Indies, North or South America, Europe, or Africa. Any person whose appearance indicates an admixture of negro blood should be classified under this heading.

#### ITALIAN (NORTH).

The people who are natives of the basin of the Po and its affluents, that is, the departments of Piedmont, Lombardy, Venetia, and [illegible], residing in Italy, Switzerland, Austria-Hungary, [illegible], and known as "Italian (north)." Most of these people speak a Gallic dialect of the Franco-Provençal.

#### ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and from these localities should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place (as, 1893, Philadelphia).

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 20.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

#### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., the departments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

#### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (Whether passage was prepaid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 32.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500-A, and 1500-B (new numbers 500, 500-A, and 500-B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba, other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $30, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 32.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

#### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., the compartments of Piedmont, Lombardy, Venetia, and Emelia) and the descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

#### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 32.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or the islands of the West Indies, North or South America, Europe, or Africa. Any person whose appearance indicates an admixture of negro blood should be classified and understanding.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., the departments of Piedmont, Lombardy, Venetia, and Emilia) and the race which inhabits whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1903-07, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1580, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes can read and write; No—No can neither read nor write; or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa, the islands of the West Indies, North or South America, Europe, or Africa. Any admixture of appearance indicates an admixture of negro blood and should be classified [illegible].

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., the departments of Piedmont, Lombardy, Venetia, and Emilia, and those descended from those who, residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the country and *city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of the alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any discernible appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants of other residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 32.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 18, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and to the districts which, residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894 07, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B; new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa, the islands of the West Indies, North or South America, Europe, or Africa. Any person whose appearance indicates an admixture of negro blood should be classified under this heading.

#### ITALIAN (NORTH).

The people who are native to the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants born and residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

#### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the country, and city or town, of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1891-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 28.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age.)*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex.)*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single.)*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation.)*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any admixture of negro blood should be classed under the heading

ITALIAN (NORTH).

The people who are native to the basin of the River Po (northern Italy, i. e., the compartments of Piedmont, Lombardy, Venetia, and Emilia), and descendants of those residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect, the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes—ticket, or No—no ticket.

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 42.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes.—Yes (can read and write). No.—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba, the islands of the West Indies, North or South America, Europe or Africa. Any admixture of appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in north Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and the Italians (whether citizens residing in Italy, Switzerland, Austria-Hungary, or any other country) should be classed as "Italian (north)." Most of these people speak a Gallic dialect, not the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Rivers Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1901-07, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any admixture of negro blood should be classified under the heading which its appearance indicates.

ITALIAN (NORTH).

The people who are native to the valley of the River Po in northern Italy (the compartments of Piedmont, Lombardy, Venetia, and Emilia), and who emigrate to the United States, residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 11½ (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 12 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1893, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 37.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

#### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria), and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

#### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish-American" refers to the peoples of Central and South America of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa, the islands of the West Indies, North or South America, Europe, or Asia. Any person whose appearance indicates an admixture of negro blood should be classified under this race.

#### ITALIAN (NORTH).

The people who are native to the north of the River Po are to be classed as Italian (north). They are the people who are natives of the compartments of Piedmont, Lombardy, Venetia, Emilia, and Liguria, and they include Italians residing in Italy, Switzerland, Austria-Hungary, France, and other countries, classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

#### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the country, and city or town of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1891-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and Central sections, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien of negro appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1891-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1506 A, and 1509 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

#### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia) and their descendants whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as Italian (north). Most of these people speak a dialect, rather than the Italian language.

#### ITALIAN (SOUTH).

The people who are native to the portion of the Italian Peninsula south of the River Po (i. e., comprising the provinces of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as Italian (south).

*Column 10 (Last residence).*—The entry in column 10 should show the *country, and city or town* of last permanent residence, whether in Europe, Asia, Africa, or elsewhere, not merely the name of the country.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place, city or town, of final destination.

*Column 12 (Whether through ticket to such final destination).*—The entry in column 12 should be either Yes (ticket) or No (not ticket).

*Column 13 (By whom passage paid).*—The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, or other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No) in the United States before; and if so, the year or period of years and place, as, 1894-97, Philadelphia.

*Column 16 (Going to join relatives or friends, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 32.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The entry in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival as "laborer," "Civil engineer," stationary engineer, locomotive engineer, farmer, servant, no occupation, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may have.

*A farmer* is one who owns a farm, either by himself or others.

*A farm laborer* is one who works on a farm for the benefit of others.

Steamship companies should make this distinction on the manifests, and inspectors should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America and of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native of Africa or of the West Indian Islands or the South American Republics. Any person whose appearance indicates African admixture of blood is to be classed as African (black).

#### ITALIAN (NORTH).

The people who are native to the larger part of Northern Italy (comprising the provinces of Piedmont, Liguria, Lombardy, Venetia, Emilia, Romagna, Tuscany, Umbria, and the Marches), including those who are residents of Italy, Switzerland, Austria, Hungary, etc., should be classed as "Italian (north)." Most of these people are of Gothic origin.

#### ITALIAN (SOUTH).

The people who are native to the provinces of Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia (comprising the provinces of Caserta, Benevento, Napoli, Avellino, Salerno, Campobasso, Aquila, Teramo, Chieti, Catanzaro, Cosenza, Reggio di Calabria, Trapani, Palermo, Girgenti, Caltanissetta, Catania, Siracusa, Messina, Cagliari, Sassari, Nuoro, and Porto Maurizio), including those who are residents of Italy, Switzerland, Austria, Hungary, etc., should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the country and city or town of last permanent residence, as distinguished from the place of birth or place of intermediate transit.

*Column 11 (Final destination).*—The entry in column 11 should show the intended place, city or town of ultimate destination.

*Column 12 (Whether having ticket through to such destination).*—The entry in column 12 should be either Yes or No, as the case may be.

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, other relative, friend, steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place (as, 1894, 97, Philadelphia).

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 35.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1506 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals—including those in transit and tourists—, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 26, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The entry of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 5 (Sex).*—The entry in column 5 should be either M (male) or F (female).

*Column 6 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 8 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that part of Italy north of the crest of the River Po (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the crest of the River Po (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the *country and city or town* of last permanent residence, as stated by the alien, city or town.

*Column 11 (Final destination).*—The entry in column 11 should show distinctly the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (ticketed) or No (not ticketed).

*Column 13 (Whether in possession of $50, and if less, how much).*—The entry in column 13 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 26.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

The information required on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals, including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The entry of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving. Persons having no occupation, stationary engineer, locomotive engineer, mining engineer, civil engineer, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who owns a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa or other islands of the West Indies, North or South America. The people of Africa, whose appearance indicates an admixture of negro blood, should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (comprising part or all of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people are to be identified as Italians, as above.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., the provinces of Liguria, Tuscany, Marches, Umbria, Latium (Rome), Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the country and city or town of last permanent residence, as "France, Paris," or "Italy, Rome."

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).*—The entry in column 12 should be either Yes (or last) or No (or not).

*Column 13 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less, how much).*—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year or period of years and place, as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 500, 500 A, and 500 B), now numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (excepting those in transit and tourists), should be made in accordance with the following special rules. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).*—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).*—The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).*—The entry in column 6 should show as near as accurately as possible the occupation, trade, or profession of each alien, as carpenter, farmer, civil engineer, stationary engineer, locomotive engineer, mining engineer, coal miner, steel polisher, iron molder, wood turner, etc., and not simply as engineer, laborer, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, according to the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who employs him.

Steamship companies should make this distinction in the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).*—Column 7 is subdivided into two parts. Entries should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).*—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).*—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French," by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or Central America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the Provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia and those descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people are of Gothic descent or the Celtic language.

ITALIAN (SOUTH).

The people who are native to the Provinces of Basilicata, Calabria, Campania, Abruzzi, Molise, Puglie, Marche, Umbria, Lazio, Tuscany, Maremma, Campagna, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

*Column 10 (Last residence).*—The entry in column 10 should show the country, city, or town of last permanent residence, as distinguished from place of birth.

*Column 11 (Final destination).*—The entry in column 11 should show definitely the place, city or town, of final destination.

*Column 12 (Whether having a ticket to final destination).*—The entry in column 12 should be either Yes—Yes or No—No, as the case may be.

*Column 13 (Whether in possession of passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $50, and if less how much).*—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years, and place, as 1894-97, Philadelphia.

*Column 16 (Going to join relatives or friends, and if so what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to ——.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).* — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).* — The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).* — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).* — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).* — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

*Column 8 (Nationality).* — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).* — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who, in Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

#### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

#### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

*Column 10 (Last residence).* — The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).* — The entry in column 11 should show definitely the place (city or town, of final destination.

*Column 12 (Whether having a ticket to such final destination).* — The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).* — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $ 50, and if less, how much).* — The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).* The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend; and if so, what relative or friend).* — The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.* — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 3 (Age).* — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 4 (Sex).* — The entry in column 4 should be either M (male) or F (female).

*Column 5 (Married or single).* — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 6 (Calling or occupation).* — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who operates a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 7 (Able to read and write).* — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or *Yes*—No (can read but not write).

*Column 8 (Nationality).* — Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

*Column 9 (Race or people).* — The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

#### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants whether residing in Italy, Switzerland, Austria Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

#### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian south."

*Column 10 (Last residence).* — The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

*Column 11 (Final destination).* — The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 12 (Whether having a ticket to such final destination).* — The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 13 (By whom was passage paid).* — The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

*Column 14 (Whether in possession of $ 50, and if less, how much).* — The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 15 (Whether ever before in the United States, and if so, when and where).* — The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

*Column 16 (Going to join relative or friend, and if so, what relative or friend).* — The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 17 to 22.* — The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.
